**Supplement to the Summary Prospectus
and Prospectus,
each dated October 21, 2024**

Effective immediately, the second to last sentence of the section titled “Principal Investment Strategies” is amended and restated with the following disclosure:

The Fund defines large-capitalization U.S. companies as those with market capitalizations in the top 85% of the total U.S. equity market by market capitalization. As of September 30, 2025, this includes companies with market capitalizations greater than \$24.2 billion.

Please retain this Supplement for future reference.
